

Fairytales Rewrite

Creative Writing

Mr. Monsen

Assignment: Revise a traditional fairy tale to be your own original classic.

Criteria:

- Uses the original story outline, but recreate it in a creative and original way, making changes to the plot, names, theme, etc...
- Have character development, dialogue, theme, symbolism, like most fairytales have.
- Be original and creative in your revision. Think outside the box.

How to Proceed:

- 1) Research the difference between fairy tales and folk tales. You may use folktales and Disney classics as well, if you wish.
- 2) Start by reading some of the Brothers Grimm fairy tales online. They are darker, but unique and interesting.
- 3) Start writing.
